IN SUBMITTING THIS BID, THE BIDDER ACKNOWLEDGES THAT:

The elimination of any work shall not be the basis for a claim by the Contractor for additional compensation or a change to the Contract time or unit prices bid. The Contractor shall be given written notice of any work elimination at, or before, the Pre-Construction Meeting.

The various **unit prices bid will control** in any contract(s) which may be awarded arising from this bid; that the estimated quantities above are approximate only and are used solely for the purpose of comparison of bids; that the numerical products obtained by multiplication of the above unit prices with the estimated quantities and the total derived thereof have been inserted only for the convenience of the bidder and to facilitate consideration of the bids by the owner.

No representation of warranty has been made by the owner that the estimated quantities used for comparison of bids will even approximate the actual quantities required to satisfactorily complete the work required under this contract.

Upon receipt of written notice of acceptance of this bid by the owner, the bidder shall execute the contract attached to these documents within ten (10) calendar days and deliver the bonds as required in these documents. The bid security submitted with this bid will become the property of the owner in the event the contract and bonds are not executed within the time herein set forth as liquidated damages for the delay and additional expense to the owner caused thereby.

This bid is submitted in full compliance with the conditions outlined in the contract documents. The bidder has fully responded to and completely filled in all required spaces in the bid documents, including the non-collusive form, and obtained the necessary notary public signatures, where required.
